**Independent Auditor's Review Report on the Quarterly and Year to Date Unaudited Consolidated Financial Results of the Company Pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended****Review Report to  
The Board of Directors  
Vedanta Limited**

1. We have reviewed the accompanying Statement of Unaudited Consolidated Financial Results of Vedanta Limited (the "Holding Company") and its subsidiaries (the Company and its subsidiaries together referred to as "the Group"), its associates and joint ventures and joint operations for the quarter ended June 30, 2023 and year to date from April 01, 2023 to June 30, 2023 (the "Statement") attached herewith, being submitted by the Holding Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (the "Listing Regulations").
2. The Holding Company's Management is responsible for the preparation of the Statement in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, (Ind AS 34) "Interim Financial Reporting" prescribed under Section 133 of the Companies Act, 2013 as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. The Statement has been approved by the Holding Company's Board of Directors. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

We also performed procedures in accordance with the Circular No. CIR/CFD/CMD1/44/2019 dated March 29, 2019 issued by the Securities and Exchange Board of India under Regulation 33(8) of the Listing Regulations, to the extent applicable.

4. The Statement includes the results of the entities as mentioned in Annexure-I.
5. Based on our review conducted and procedures performed as stated in paragraph 3 above and based on the consideration of the review reports of other auditors referred to in paragraph 6 and 8 below, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with recognition and measurement principles laid down in the aforesaid Indian Accounting Standards ("Ind AS") specified

5 The Company owns a copper smelter plant ("the Plant") in Tuticorin. The Company's application for renewal of Consent to Operate ("CTO") for the plant was rejected by the Tamil Nadu Pollution Control Board ("TNPCB") in April 2018. Subsequently, the Government of Tamil Nadu issued directions to close and seal the existing copper smelter plant permanently. The Principal Bench of National Green Tribunal ("NGT") ruled in favour of the Company but its order was set aside by the Supreme Court vide its judgment dated 18 February 2019, on the sole basis of maintainability. The Company had filed a writ petition before the Madras High Court challenging various orders passed against the Company. On 18 August 2020, the Madras High Court dismissed the writ petitions filed by the Company, which has been challenged by the Company in the Supreme Court while also seeking interim relief to access the plant for care and maintenance.

The Interlocutory Applications filed by the Company seeking essential care and maintenance of the Plant and removal of materials from the Plant premises were heard on 10 April 2023 where the Supreme Court allowed certain activities such as gypsum evacuation, operation of secured landfill (SLF) leachate sump pump, bund rectification of SLF and green-belt maintenance.

On 04 May 2023, Supreme Court further directed the State of Tamil Nadu to conclude on any further supplementary directions to be issued with regard to the care and maintenance of the Plant. On 02 June 2023, the State concluded with granting access to the Company only for the above allowed activities. The special leave petition ("SLP") is now listed for hearing and final disposal on 22 and 23 August 2023.

The Company was also in the process of expanding its capacities at an adjacent site ("Expansion Project"). The Madras High Court, in a Public Interest Litigation, held that the application for renewal of the Environmental Clearance ("EC") for the Expansion Project shall be processed after a mandatory public hearing and in the interim, ordered the Company to cease construction and all other activities on the site with immediate effect. In the meanwhile, State Industries Promotion Corporation of Tamil Nadu ("SIPCOT") cancelled the land allotted for the Expansion Project, which was later stayed by the Madras High Court. Further, TNPCB issued an order directing the withdrawal of the Consent to Establish ("CTE") which was valid till 31 March 2023. The Company has also appealed this action before the TNPCB Appellate Authority. The matter has been adjourned until the conclusion of SLP filed before the Supreme Court. As per the Company's assessment, it is in compliance with the applicable regulations and based on detailed impairment assessments conducted, no significant impact is expected on the carrying value of the assets.

- 6 In FY 2020-21, the Company's wholly owned overseas subsidiary, Cairn India Holdings Limited, had extended certain loans and guarantee facilities to a related party, Twin Star Holding Limited (the Borrower), a wholly owned step down subsidiary of Vedanta Resources Limited, the parent company. As at 01 April 2023, loan balance of US\$ 449 million (₹ 3,689 Crore) was outstanding.

During the current quarter ended 30 June 2023, based on the request from the Borrower, the loan has been extended to 31 December 2024 at the prevailing arms-length interest rate with interest payable half yearly. Further, based on the evaluation of Ind AS 109 Financial Instruments requirement, the consequential net impact due to the modification and expected credit loss, aggregating to US\$ 5 million (₹ 38 Crore), has been recognized as finance cost in the consolidated statement of profit and loss.

- 7 On 21 July 2022, the Company acquired Athena Chhattisgarh Power Limited ("ACPL"), an unrelated party, under the liquidation proceedings of the Insolvency and Bankruptcy Code, 2016 for a consideration of ₹ 565 Crore, subject to the National Company Law Tribunal ("NCLT") approval. ACPL is building a 1,200 MW (600 MW X 2) coal-based power plant located at Jhanjgir Champa district, Chhattisgarh. The Company had filed its application for the resolution plan with NCLT in July 2022 and further amended the application in November 2022 praying for merger of ACPL with itself. The Company has requested various reliefs from the applicable legal and regulatory provisions as part of the above applications. The NCLT has completed all hearings on 17 July 2023.
