Opinion

We have audited the accompanying statement of quarterly and year to date consolidated financial results of Hindustan Zinc Limited ("Holding Company") and its subsidiaries (the Holding Company and its subsidiaries together referred to as "the Group") for the quarter ended and year ended March 31, 2022 ("Statement"), attached herewith, being submitted by the Holding Company pursuant to the requirement of Regulation 33 and 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ("Listing Regulations")

In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of the reports of the other auditors on separate audited financial statements of the subsidiaries, the Statement:

- i. includes the results of the following entities;
 - a) Hindustan Zinc Alloys Private Limited
 - b) Vedanta Zinc Football & Sports Foundation
- ii. are presented in accordance with the requirements of the Listing Regulations in this regard; and
- iii. gives a true and fair view in conformity with the applicable accounting standards, and other accounting principles generally accepted in India, of the consolidated net profit and other comprehensive loss and other financial information of the Group for the quarter and year ended March 31, 2022.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs), as specified under Section 143(10) of the Companies Act, 2013, as amended ("the Act"). Our responsibilities under those Standards are further described in the "Auditor's Responsibilities for the Audit of the Consolidated Financial Results" section of our report. We are independent of the Group in accordance with the 'Code of Ethics' issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence obtained by us and other auditors in terms of their reports referred to in "Other Matter" paragraph below, is sufficient and appropriate to provide a basis for our opinion.

Management's Responsibilities for the Consolidated Financial Results

The Statement has been prepared on the basis of the consolidated annual financial statements. The Holding Company's Board of Directors are responsible for the preparation and presentation of the Statement that give a true and fair view of the net profit and other comprehensive income and other financial information of the Group in accordance with the applicable accounting standards prescribed under section 133 of the Act read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 and 52 of the Listing Regulations. The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Statement that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the Statement by the Directors of the Holding Company, as aforesaid.

In preparing the Statement, the respective Board of Directors of the companies included in the Group are responsible for assessing the ability of the Group to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the respective Board of Directors either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group are also responsible for overseeing the financial reporting process of the Group.

Auditor's Responsibilities for the Audit of the Consolidated Financial Results

Our objectives are to obtain reasonable assurance about whether the Statement as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the Statement.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Statement, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.

S.R. BATLIBOI & Co. LLP

Chartered Accountants

- Conclude on the appropriateness of the Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Statement or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Statement, including the disclosures, and whether the Statement represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial results of the entities within the Group of which we are the independent auditors to express an opinion on the Statement. We are responsible for the direction, supervision and performance of the audit of the financial information of such entities included in the Statement of which we are the independent auditors. For the other entities included in the Statement, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

We communicate with those charged with governance of the Holding Company and such other entities included in the Statement of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

We also performed procedures in accordance with the Circular No. CIR/CFD/CMD1/44/2019 dated March 29, 2019 issued by the Securities Exchange Board of India under Regulation 33 (8) of the Listing Regulations, to the extent applicable.

Operational Performance

Mined metal production for the quarter was at 295 kt, up 2.6% y-o-y on account of higher ore production at Rajpura Dariba, Sindesar Khurd & Rampura Agucha mines. Sequentially mined metal production grew by 17.2% on account of higher ore production from Rajpura Dariba, Rampura Agucha, Sindesar Khurd & Zawar mines supported by better mining grades.

For the full year, we had our best ever mined metal production of 1,017 kt, up 4.6% Y-o-Y. The one million mark was crossed for the first time owing to higher ore production across all our locations.

Integrated metal production for the quarter was 260 kt, up 1.6% y-o-y, while remaining almost flat sequentially. Quarterly production was supported by better plant & mined metal availability and improved operating parameters. Integrated zinc production was 211 kt, up 8.1% y-o-y and was 1.3% lower sequentially. Integrated lead production for the quarter was 49kt, up 4.7% sequentially but was down 19.3% y-o-y as Pyro plant at CLZS was run in the Zinc-Lead mode in place of Lead-only mode.

For the full year, overall refined metal production was 967 kt up 4.0% y-o-y on account of better plant & concentrate availability.

Integrated silver production was 162 MT, down 20.2% y-o-y & 6.2% sequentially in line with lead metal production. For the full year, silver production was 8.3% lower y-o-y to 647 MT in line with the lower lead metal production and reduction of silver WIP.

Financial Performance

Revenue from operations during the quarter was INR 8,797 Cr., an increase of 26.6% y-o-y, led by higher zinc volumes & zinc LME prices as well as favourable exchange rates while partly offset by lower lead & silver volumes. Over the year, zinc & lead LME prices were up 36.5% & 15.7% respectively.

Sequentially revenue increased 10.1%, primarily due to higher zinc LME & metal volumes and partially offset by lower silver volumes. Sequentially zinc and lead sales volumes increased 0.9% & 5.1% respectively, while silver sales volumes were 6.3% lower in line with the production.

For the full year, revenue was INR 29,440 Cr., an increase 30.1% y-o-y, led by higher zinc volumes & LME prices while being partially offset by lower lead and silver volumes.

Zinc cost of production before royalty (COP) was US\$ 1,136 (Rs. 85,378) per MT for the quarter, higher by 20.2% y-o-y and lower by 1.0% sequentially. The COP for the full year was US\$ 1,122 (INR 83,511) per MT, up 17.6% y-o-y. The COP was affected largely on account of higher coal prices & input commodity inflation, partially offset by higher volume, better Sulphuric Acid realizations & improved recoveries.

EBITDA for the quarter was INR 5,007 Cr., up 29.2% y-o-y and 14.0% sequentially. EBITDA for the full year was at INR 16,289 Cr., up 38.8% y-o-y. Rise was primarily due to higher zinc & lead LME prices, higher premiums as well as higher silver prices.

Net profit for the quarter was at INR 2,928 Cr., up 18.0% y-o-y and 8.4% sequentially. Increase was mainly driven by higher volumes and higher metal prices. Net Profit for the full year was INR 9,629 Cr., up 20.7% y-o-y.

During the quarter, the Company sold zinc forward equivalent to approximate 15% of FY23 projected zinc production volumes.

Reserves & Resources (R&R)

Total Ore Reserves stand at 161.2 million tonnes (net of depletion of FY22 production of 16.34 million tonnes) at the end of FY22 (150.3 million tonnes at the end of FY21) due to heightened focus on resource to reserve conversion during the year. Exclusive Mineral Resource totalled 286.73 million tonnes. Total R&R was at 447.9 million tonnes.

Total contained metal in Ore Reserves is 9.57 million tonnes of zinc, 2.45 million tonnes of lead and 298.4 million ounces of silver. The Mineral Resource contains 13.18 million tonnes of zinc, 5.86 million tonnes of lead & 576.3 million ounces of silver. At current mining rates, the R&R underpins metal production of more than 25 years.
