INDEPENDENT AUDITOR'S REPORT ON THE AUDIT OF STANDALONE FINANCIAL RESULTS

TO THE BOARD OF DIRECTORS OF WIPRO LIMITED

Opinion

We have audited the accompanying Statement of Standalone Financial Results of **WIPRO LIMITED** ("the Company"), for the three months ended June 30, 2021 ("the Statement"/"Standalone Financial Results"), being submitted by the Company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ("the Listing Regulations").

In our opinion and to the best of our information and according to the explanations given to us, the Statement:

- a. is presented in accordance with the requirements of Regulation 33 of the Listing Regulations; and
- b. gives a true and fair view in conformity with the recognition and measurement principles laid down in the Indian Accounting Standard 34 "Interim Financial Reporting" ("Ind AS 34") prescribed under section 133 of the Companies Act 2013 ("the Act") read with relevant rules issued thereunder and other accounting principles generally accepted in India of the net profit and total comprehensive income and other financial information of the Company for the three months ended June 30, 2021.

Basis for Opinion

We conducted our audit of these Standalone Financial Results in accordance with the Standards on Auditing ("SAs") specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Results section below. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the Standalone Financial Results under the provisions of the Act and the Rules thereunder and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion.

Management's Responsibilities for the Standalone Financial Results

This Statement, which is the responsibility of the Company's Management and approved by the Board of Directors, has been compiled from the related audited Interim Condensed Standalone Financial Statements for the three months ended June 30, 2021. The Company's Board of Directors are responsible for the preparation and presentation of the Standalone Financial Results that give a true and fair view of the net profit and other comprehensive income and other financial information of the Company in accordance with the recognition and measurement principles laid down in the Ind AS 34 prescribed under section 133 of the Act, read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and

Deloitte Haskins & Sells LLP

other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Standalone Financial Results that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Standalone Financial Results, the Board of Directors are responsible for assessing the Company's ability, to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the financial reporting process of the Company.

Auditor's Responsibilities for the Audit of the Standalone Financial Results

Our objectives are to obtain reasonable assurance about whether the Standalone Financial Results as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Standalone Financial Results.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Standalone Financial Results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal controls.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management.
- Evaluate the appropriateness and reasonableness of disclosures made by the Board of Directors in terms of the requirements specified under Regulation 33 of the Listing Regulations.
- Conclude on the appropriateness of the Management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Statement or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However,

Deloitte Haskins & Sells LLP

future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the Standalone Financial Results, including the disclosures, and whether the Standalone Financial Results represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the Standalone Financial Results of the Company to express an opinion on the Standalone Financial Results.

Materiality is the magnitude of misstatements in the Standalone Financial Results that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Standalone Financial Results may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Standalone Financial Results.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal controls that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

5. Segment information:

The Company is organised into the following operating segments: IT Services, IT Products and India State Run Enterprise segment ("ISRE").

IT Services: During the year ended March 31, 2021, in order to broad base our growth, the Company re-organised IT Services segment to four Strategic Market Units ("SMUs") - Americas 1, Americas 2, Europe and Asia Pacific Middle East Africa ("APMEA").

Americas 1 and Americas 2 are primarily organised by industry sector, while Europe and APMEA are organised by countries.

Americas 1 includes the entire business of Latin America ("LATAM") and the following industry sectors in the United States of America: healthcare and medical devices, consumer goods and life sciences, retail, transportation and services, communications, media and information services, technology products and platforms. **Americas 2** includes the entire business in Canada and the following industry sectors in the United States of America: banking, financial services and insurance, manufacturing, hi-tech, energy and utilities. **Europe** consists of the United Kingdom and Ireland, Switzerland, Germany, Benelux, the Nordics and Southern Europe. **APMEA** consists of Australia and New Zealand, India, Middle East, South East Asia, Japan and Africa.

The corresponding information for the three months ended June 30, 2020 has been re-stated to give effect to the above changes.

Revenue from each customer is attributed to the respective SMUs based on the location of the customer's primary buying center of such services. With respect to certain strategic global customers, revenue may be generated from multiple countries based on such customer's buying centers, but the total revenue related to these strategic global customers are attributed to a single SMU based on the geographical location of key decision makers.

Prior to the Company's re-organisation of its IT services segment, the IT services segment was organised by seven industry verticals: Banking, Financial Services and Insurance ("BFSI"), Health Business unit ("Health BU"), Consumer Business unit ("CBU"), Energy, Natural Resources & Utilities ("ENU"), Manufacturing ("MFG"), Technology ("TECH") and Communications ("COMM").

Our IT Services segment provides a range of IT and IT enabled services which include digital strategy advisory, customer centric design, technology consulting, IT consulting, custom application design, development, re-engineering and maintenance, systems integration, package implementation, cloud and infrastructure services, business process services, cloud, mobility and analytics services, research and development and hardware and software design.

IT Products: The Company is a value-added reseller of security, packaged and SaaS software for leading international brands. In certain total outsourcing contracts of the IT Services segment, the Company delivers hardware, software products and other related deliverables. Revenue relating to these items is reported as revenue from the sale of IT Products.

ISRE: This segment consists of IT Services offerings to entities and/or departments owned or controlled by Government of India and/or any State Governments.

The Chairman of the Company has been identified as the Chief Operating Decision Maker ("CODM") as defined by Ind AS 108, "Operating Segments". The Chairman of the Company evaluates the segments based on their revenue growth and operating income.

Assets and liabilities used in the Company's business are not identified to any of the operating segments, as these are used interchangeably between segments. Management believes that it is currently not practicable to provide segment disclosures relating to total assets and liabilities since a meaningful segregation of the available data is onerous.

INDEPENDENT AUDITOR'S REPORT ON THE AUDIT OF CONSOLIDATED FINANCIAL RESULTS

TO THE BOARD OF DIRECTORS OF WIPRO LIMITED

Opinion

We have audited the accompanying Statement of Consolidated Financial Results of **WIPRO LIMITED** ("the Company") and its subsidiaries (the Company and its subsidiaries together referred to as "the Group") for the three months ended June 30, 2021 ("the Statement"/"Consolidated Financial Results").

In our opinion and to the best of our information and according to the explanations given to us, the Statement gives a true and fair view in conformity with the recognition and measurement principles laid down in the International Accounting Standard 34 "Interim Financial Reporting" ("IAS 34") as issued by the International Accounting Standards Board ("IASB") of the consolidated net profit and consolidated total comprehensive income and other financial information of the Group for the three months ended June 30, 2021.

Basis for Opinion

We conducted our audit of the Consolidated Financial Results in accordance with the Standards on Auditing ("SAs") issued by the Institute of Chartered Accountants of India ("ICAI"). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Results section below. We are independent of the Group in accordance with the Code of Ethics issued by the ICAI together with the ethical requirements that are relevant to our audit of the Statement and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion.

Management's Responsibilities for the Consolidated Financial Results

This Statement, which is the responsibility of the Company's Management and approved by the Company's Board of Directors has been compiled from the related audited interim condensed consolidated financial statements. The Company's Board of Directors are responsible for the preparation and presentation of the Consolidated Financial Results that give a true and fair view of the consolidated net profit and consolidated other comprehensive income and other financial information of the Group in accordance with the recognition and measurement principles laid down in the IAS 34 as issued by IASB.

The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the respective financial results that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of this Consolidated Financial Results by the Directors of the Company, as aforesaid.

Deloitte Haskins & Sells LLP

In preparing the Consolidated Financial Results, the respective Board of Directors of the companies included in the Group are responsible for assessing the ability of the respective entities to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the respective Board of Directors either intends to liquidate their respective entities or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group are responsible for overseeing the financial reporting process of the Group.

Auditor's Responsibilities for the Audit of the Consolidated Financial Results

Our objectives are to obtain reasonable assurance about whether the Consolidated Financial Results as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Consolidated Financial Results.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Consolidated Financial Results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of the management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Consolidated Financial Results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Consolidated Financial Results, including the disclosures, and whether the Consolidated Financial Results represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial results of the entities within the Group to express an opinion on the Consolidated Financial Results. We are responsible for the direction, supervision and performance of the audit of financial information of entities included in the Consolidated Financial Results.

Deloitte Haskins & Sells LLP

Materiality is the magnitude of misstatements in the Consolidated Financial Results that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Consolidated Financial Results may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Consolidated Financial Results.

We communicate with those charged with governance of the Company regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

5. Segment Information

The Company is organized into the following operating segments: IT Services, IT Products and India State Run Enterprise segment ("ISRE").

IT Services: During the year ended March 31, 2021, in order to broad base our growth, the Company re-organized IT Services segment to four Strategic Market Units ("SMUs") - Americas 1, Americas 2, Europe and Asia Pacific Middle East Africa ("APMEA").

Americas 1 and Americas 2 are primarily organized by industry sector, while Europe and APMEA are organized by countries.

Americas 1 includes the entire business of Latin America ("LATAM") and the following industry sectors in the United States of America: healthcare and medical devices, consumer goods and life sciences, retail, transportation and services, communications, media and information services, technology products and platforms. **Americas 2** includes the entire business in Canada and the following industry sectors in the United States of America: banking, financial services and insurance, manufacturing, hi-tech, energy and utilities. **Europe** consists of the United Kingdom and Ireland, Switzerland, Germany, Benelux, the Nordics and Southern Europe. **APMEA** consists of Australia and New Zealand, India, Middle East, South East Asia, Japan and Africa.

The corresponding information for the three months ended June 30, 2020 has been re-stated to give effect to the above changes.

Revenue from each customer is attributed to the respective SMUs based on the location of the customer's primary buying center of such services. With respect to certain strategic global customers, revenue may be generated from multiple countries based on such customer's buying centers, but the total revenue related to these strategic global customers are attributed to a single SMU based on the geographical location of key decision makers.

Prior to the Company's re-organization of its IT services segment, the IT services segment was organized by seven industry verticals: Banking, Financial Services and Insurance ("BFSI"), Health Business unit ("Health BU"), Consumer Business unit ("CBU"), Energy, Natural Resources & Utilities ("ENU"), Manufacturing ("MFG"), Technology ("TECH") and Communications ("COMM").

Our IT Services segment provides a range of IT and IT enabled services which include digital strategy advisory, customer centric design, technology consulting, IT consulting, custom application design, development, re-engineering and maintenance, systems integration, package implementation, cloud and infrastructure services, business process services, cloud, mobility and analytics services, research and development and hardware and software design.

IT Products: The Company is a value-added reseller of security, packaged and SaaS software for leading international brands. In certain total outsourcing contracts of the IT Services segment, the Company delivers hardware, software products and other related deliverables. Revenue relating to these items is reported as revenue from the sale of IT Products.

ISRE: This segment consists of IT Services offerings to entities and/or departments owned or controlled by Government of India and/or any State Governments.

The Chairman of the Company has been identified as the Chief Operating Decision Maker ("CODM") as defined by IFRS 8, "Operating Segments". The Chairman of the Company evaluates the segments based on their revenue growth and operating income.

Assets and liabilities used in the Company's business are not identified to any of the operating segments, as these are used interchangeably between segments. Management believes that it is currently not practicable to provide segment disclosures relating to total assets and liabilities since a meaningful segregation of the available data is onerous.
